**LAW CORPORATION GUARANTEE WORKSHEET**

Use this page to calculate the required dollar amounts to be set forth on the Standard Law Corporation Guarantee (Attachment C-1) or on the Guarantee for Law Corporations Practicing in Partnership with Other Law Corporations (Attachment C-2).

**How to Calculate the Correct Dollar Amounts for a  
Law Corporation Guarantee**

**PER CLAIM:** Multiply the number of persons practicing law on behalf of the law corporation\* by \$51,350 (e.g.  $5 \times \$51,350 = \$256,750$ ), up to a maximum of \$513,500. If answer exceeds \$513,500, insert \$513,500.

**PER CALENDAR YEAR:** Multiply the number of persons practicing law on behalf of the law corporation\* by \$102,700 (e.g.  $5 \times \$102,700 = \$513,500$ ), up to a maximum of \$5,135,000. If answer exceeds \$5,135,000, insert \$5,135,000.

**\*How to Determine the Number of Persons  
Practicing Law on Behalf of the Law Corporation**

“Persons practicing law on behalf of the law corporation” means persons with whom the law corporation has established a law practice relationship of a continuous nature OR who are held out by the corporation as being available to practice law on its behalf. This includes all attorneys practicing in a partnership (including a limited liability partnership, or LLP) or association in which the corporation practices; employees; “of counsel”; contract attorneys; part-time attorneys and persons who practice law on behalf of the corporation in other jurisdictions, even if such attorneys are not admitted to practice law in California.
